LANGUAGES

German Intermediate

SUMMARY

Dynamic and results-driven professional with a proven track record as the Student Representative Council (SRC) President, adept at fostering collaboration and driving initiatives within the university community. With a strong foundation in Software Engineering and hands-on experience in software development training, I am eager to leverage my skills in managing confidential client projects. I am excited about the opportunity to contribute to your team and enhance the overall university experience.

EXPERIENCE

Student Representative Council (SRC) President

Michael and Cecilia Ibru University

- Led student-focused initiatives and coordinated academic, social and extracurricular activities.
- Planned and communicated student events, including Student Week activities, gaming tournaments and community-focused initiatives.
- Worked with students and university stakeholders to communicate concerns, organize activities and support student engagement.

Oct 2022 — Sep 2026 (Expected)

Software Engineering / University Experience

MCIU, Ughelli, Delta State

- Developed academic and personal software projects while studying Software Engineering.
- Applied programming, software engineering, problem-solving and project documentation skills across university coursework and projects.

Software Development Training

Bayelsa Tech Hub

- Gained practical exposure to frontend web development and modern software development workflows.
- Worked with HTML, CSS and JavaScript while developing foundational skills for React-based applications.

Feb 2024

Confidential Client Projects

- Completed software development work for clients under confidentiality obligations.
- Experience can be discussed at a high level without disclosing protected client, product or implementation details.

EDUCATION

Oct 2022 — Sep 2026 (Expected)

B.Sc. Software Engineering, Software Engineering

Michael and Cecilia Ibru University (MCIU), Ughelli, Delta State
